

ALAN YINGCHENG ZHU

Visual Designer | Generative AI & Creative Direction

Vancouver, BC, Canada | zhualan4@gmail.com | alanzhuu.github.io

PROFILE

Visual designer and creative director with a background in visual arts, computational arts, commercial design, and AI-driven production. Experienced in evaluating and refining generated visual work across composition, continuity, cinematography, hierarchy, emotional clarity, and production fitness. Lead multidisciplinary teams, give actionable visual feedback, and turn rough generations into coherent production-ready work.

CORE SKILLS

Design & Art Direction: Visual Design, Art Direction, Composition, Typography, Layout, Color, Visual Hierarchy, Design Review, Creative Feedback, Visual Consistency

Generative AI: Grok, ChatGPT, Seedance, Kling, Higgsfield, Prompt Design, AI Image & Video Generation, AI Output Evaluation, Prompt Iteration

Software: Photoshop, Illustrator, InDesign, Premiere Pro; working knowledge of Blender, Rhino, TouchDesigner, GDevelop

EXPERIENCE

SHORT DRAMA STUDIO - Art Director / AI Visual Creative (Contract) | Vancouver | 2025-Present

Lead visual development and art direction for AI-driven and live-action short-form drama. Direct and review work across a multidisciplinary team of approximately 10 creatives spanning AI generation, directing, and editing. Hold final visual approval across departments, evaluating composition, character continuity, cinematography, editing, and overall visual consistency. Designed original key art and promotional materials for 10+ short-form productions.

When the Moon Hides Crown - DramaWave, Apr 2026: led visual direction and final review; reached No. 1 on DramaWave's platform-wide weekly ranking for two consecutive weeks.

Nanny Is the True Luna - DramaWave, May 2026: led visual direction and production review across AI-generated visual development, continuity, and final visual quality.

APR PACKAGING - Marketing Assistant / Visual Designer | Vancouver | Sep-Dec 2024

Developed visual and marketing materials in an English-speaking design environment; participated in client communication, presentations, visual revisions, brand consistency, and campaign delivery.

DIOR / LVMH - Creative Intern / Hand-Painted Product Artist | 2021-2022

Created personalized hand-painted work for Dior products while translating client requests into customer-facing design within established luxury brand standards.

SELECTED PROJECTS

LINA - Director / Producer / Art Director / AI Visual Director | Independent Film, 2026

Directed the visual language, scene construction, cinematography, character direction, and generative workflow. Evaluated outputs for emotional communication, composition, movement, continuity, and narrative clarity, redesigning scenes when initial generations communicated information but failed to carry the intended emotion.

A DOG'S WAY HOME - Solo Game & Interactive Designer

Independently conceived, designed, developed, tested, and published an HTML5 interactive game in GDevelop, including concept, visual design, interaction design, event logic, art assets, sound implementation, playtesting, and publishing.

EDUCATION

Goldsmiths, University of London - MA Computational Arts, 2022-2023

Emily Carr University of Art + Design - Bachelor's Degree in Visual Arts, 2018-2022

INSIDE LVMH Certificate - LVMH, 2023
